The objective of the Pearland Touchdown Club (Booster Club) is to support, raise funds, promote, and encourage the players & football coaches of PHS. The primary funds provided by the school district are used to purchase the basic athletic equipment and safety gear for the team. Our purpose is to provide funds for upgraded equipment and other essentials that contribute to a successful program. By supporting the Pearland Touchdown Club through volunteering, attending games, purchasing Oilers Gear, advertising, or making a donation; you're helping to keep the program strong.
